Power Generation

in collaboration with

Fitzsimmons Creek Hydroelectric Project

About AECOM

AECOM is a global provider of professional technical and management support services to a broad range of markets, including transportation, facilities, environmental, energy, water and government. With approximately 45,000 employees around the world, AECOM is a leader in all of the key markets that it serves. AECOM provides a blend of global reach, local knowledge, innovation and technical excellence in delivering solutions that create, enhance and sustain the world's built, natural and social environments. A *Fortune 500* company, AECOM serves clients in approximately 125 countries and has annual revenue in excess of \$7.0 billion.

More information on AECOM and its services can be found at www.aecom.com.
