

# CALL FOR ENTRIES

## CANADA'S MOST PRESTIGIOUS AWARDS FOR ENGINEERING PROJECTS

The Canadian Consulting Engineering Awards / Prix Canadiens du Génie-Conseil are given annually to projects that demonstrate a high quality of engineering, imagination and innovation.

Now in their 48th year, the awards are the most prestigious mark of recognition for consulting engineers in Canada.

This is a joint program of the Association of Consulting Engineering Companies - Canada (ACEC), l'Association des firmes des ingénieurs-conseils - Canada (AFIC) and *Canadian Consulting Engineer* magazine.

The awards are an unequalled opportunity to gain recognition for your firm and your employees. The list of winners is publicized nationwide and the projects are published in the October-November issue of *Canadian Consulting Engineer* magazine.

The awards are presented at a gala dinner in Ottawa in the late fall. All entering firms are invited to submit display boards for presentation at the Awards Gala.

**Entries are invited in English or French.**
