

# CALL FOR ENTRIES

## CANADA'S MOST PRESTIGIOUS AWARDS FOR ENGINEERING PROJECTS

The Canadian Consulting Engineering Awards / Prix Canadiens du Génie-Conseil are given annually to projects that demonstrate a high quality of engineering, imagination and innovation.

Now in their 53<sup>rd</sup> year, the awards are the most prestigious mark of recognition for consulting engineers in Canada.

This is a joint program of the Association of Consulting Engineering Companies – Canada (ACEC), l'Association des firmes de génie-conseil – Canada (AFGC) and *Canadian Consulting Engineer* magazine.

The awards are an unequalled opportunity to gain recognition for your firm and your employees. The list of winners is publicized nationwide, the projects are published in the September/October issue of *Canadian Consulting Engineer* magazine and ACEC's award-winning #20DaysofExcellence campaign provides additional visibility.

The awards are presented in October.

**Entries are invited in English or French.**
