CANADA'S MOST PRESTIGIOUS AWARDS FOR ENGINEERING PROJECTS

The Canadian Consulting Engineering Awards / Prix Canadiens du Génie-Conseil are given annually to projects that demonstrate a high quality of engineering, imagination and innovation.

Now in their 51st year, the Awards are the most prestigious mark of recognition for consulting engineers in Canada

This is a joint program of the Association of Consulting Engineering Companies - Canada (ACEC) / l'Association des firmes de génie-conseil - Canada (ACGC) and Canadian Consulting Engineer magazine.

The awards are an unequalled opportunity to gain recognition for your firm and your employees. The list of winners is publicized nationwide and the projects are published in the October-November issue of Canadian Consulting Engineer magazine.

The awards are presented at a gala dinner in Ottawa in the late fall. All entering firms are invited to submit display boards for presentation at the Awards Gala.

Entries are invited in English or French.
