

CALL FOR ENTRIES

CANADA'S MOST PRESTIGIOUS AWARDS FOR ENGINEERING PROJECTS

The Canadian Consulting Engineering Awards / Prix Canadiens du Génie-Conseil are given annually to projects that demonstrate a high quality of engineering, imagination and innovation.

Now in their 52nd year, the awards are the most prestigious mark of recognition for consulting engineers in Canada.

This is a joint program of the Association of Consulting Engineering Companies – Canada (ACEC), l'Association des firmes de génie-conseil – Canada (AFGC) and *Canadian Consulting Engineer* magazine.

The awards are an unequalled opportunity to gain recognition for your firm and your employees. The list of winners is publicized nationwide, the projects are published in the October/November issue of *Canadian Consulting Engineer* magazine and ACEC's award-winning #20DaysofExcellence campaign provides additional visibility.

The awards are presented at a gala dinner in Ottawa in the fall.

Entries are invited in English or French.

20 AWARDS & FIVE SPECIAL AWARDS!

Twenty Awards of Excellence will be designated by the jury. Of these projects, up to five could also earn additional recognition with a Special Award. The Special Awards are:

- Schreyer Award (Prix Schreyer). This is the highest honour and is presented annually to the best technical entry.
- Tree for Life Award (Prix Un Arbre à Aimer). The award is given annually to a project that demonstrates outstanding environmental stewardship.
- Ambassador Award (Prix Ambassadeur). Presented to a project constructed or executed outside Canada that best showcases Canadian engineering expertise.
- Engineering a Better Canada Award (Prix de l'ingénierie pour un Canada meilleur). Presented to a project that best showcases how engineering enhances the social, economic or cultural quality of life of Canadians.
- Outreach Award (Prix Rayonnement). Presented for a company's role in donating their time and/or services for the benefit of a community or group either in Canada or on the international stage.
